Qualified Electronic Seal

User Identification and eSeal Issuance

INTESI GROUP

eSignature | Digital Identity

1. Identification process

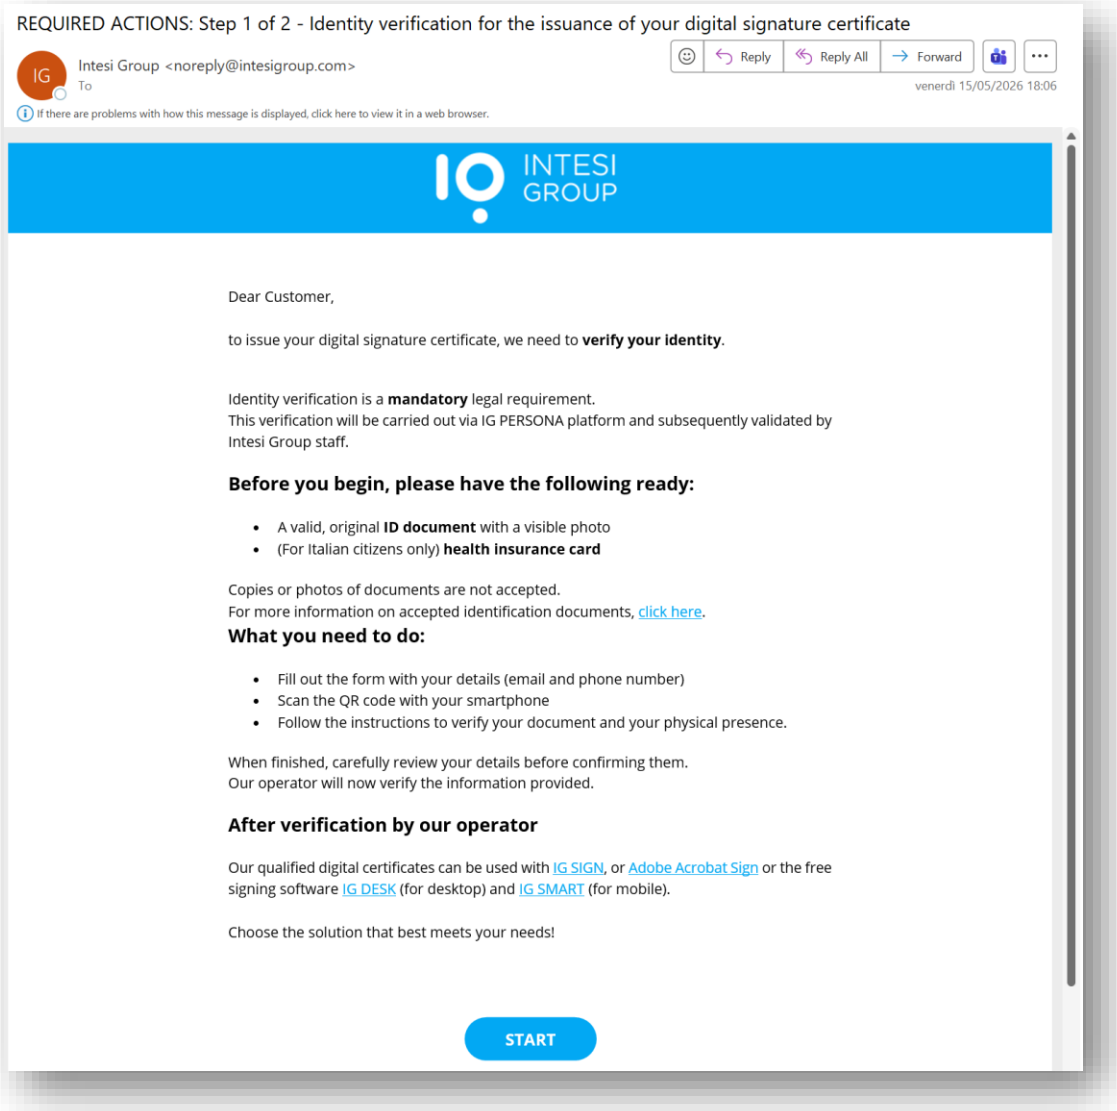

Let’s us verify your identity with **IG Persona** application

Note: the identification process is intended for an individual who is formally authorized to issue the Electronic Seal on behalf of the Organization (Private Company, Public Administration, non-Profit) which the eSeal is issued to.

Start the identification process

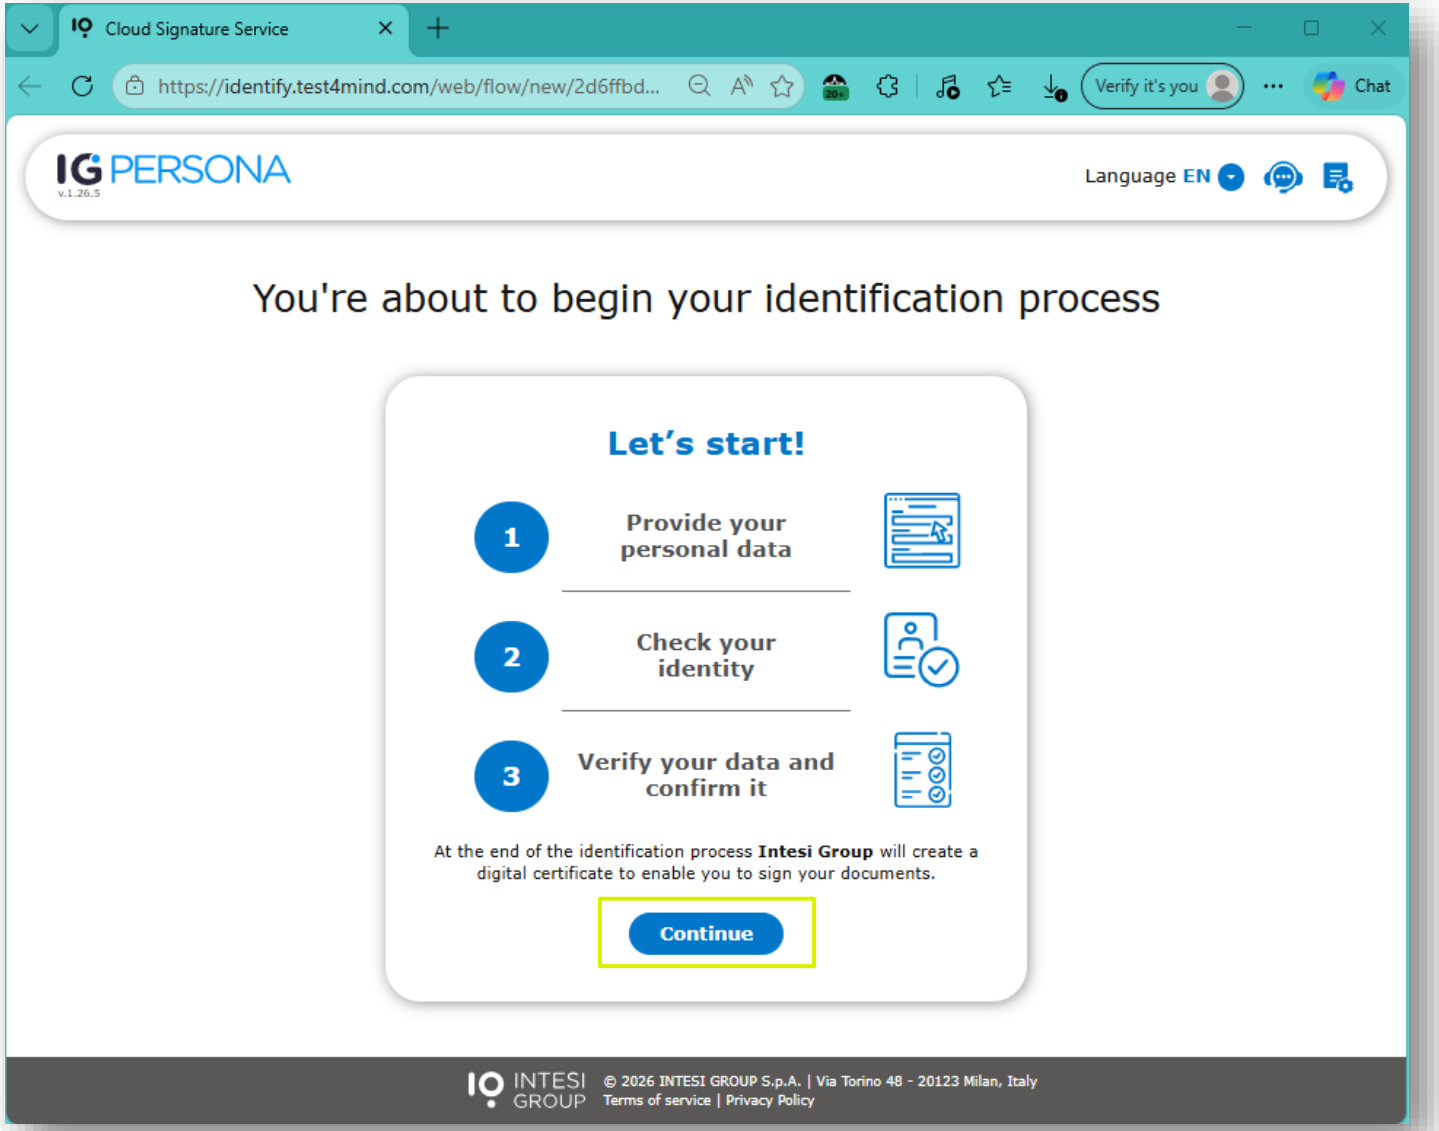

You will receive an email with the link to initiate the identification procedure

Click on START

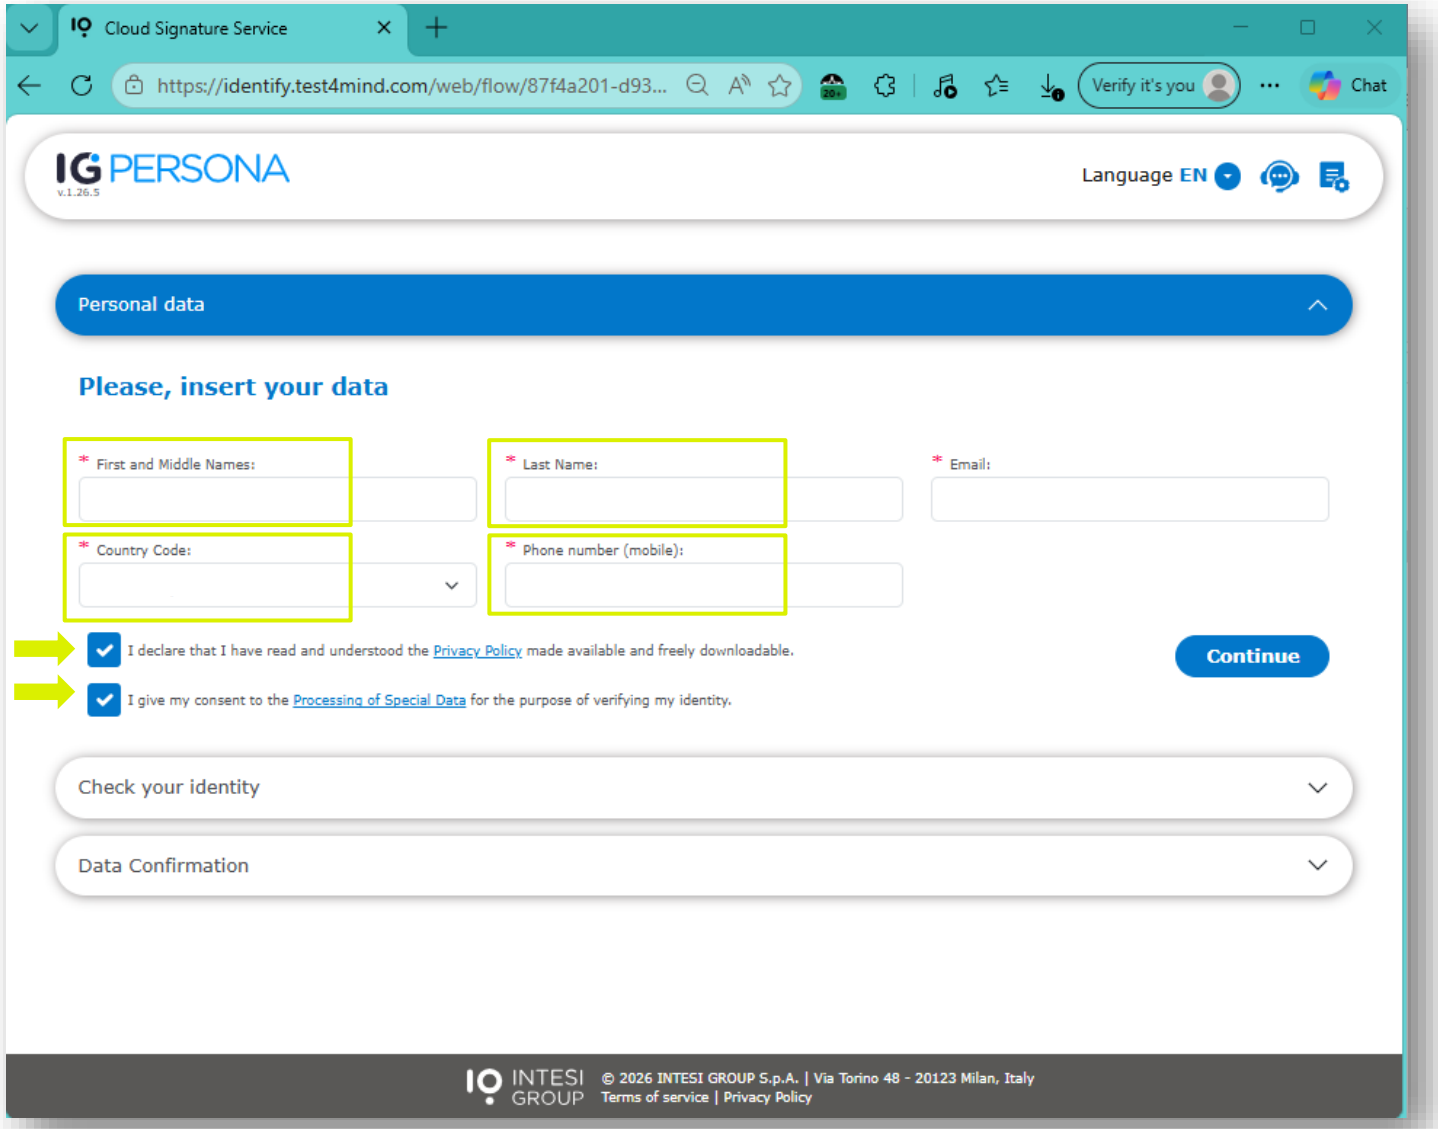

Are you unable to find that email in your inbox? Please check in the Spam/Junk folder. The email sender is noreply@intesigroup.com and the subject is "*Start your identification*"
